

*Malt, a gift of nature*

## **Gianluca Nurra**

*Scientific & Technical Advisor*

Gianluca Nurra holds a Master's degree in Agricultural Science and a one-year post-graduate degree Master's in Management of Organic Farms (University of Sassari, Italy).

For 5 years, he worked in one of the major Italian Control Bodies for the quality control and certification of agricultural feed and food products, as Lead Certified Auditor, and as Certification Coordinator, responsible for the control and supervision of the production, handling, labelling and marketing of organic food at international level.

He worked for more than 6 years in two major international consultancy firms in the management and coordination of complex technical assistance projects on agriculture and rural development, sanitary and phytosanitary issues, food and feed safety, and more.

He has more than 15 years overall international work experience in the field of food and feed safety, food quality control and certification, and sanitary and phytosanitary issues.

He speaks Italian (mother tongue), English and French fluently.

He is Scientific & Technical advisor at Cocal and Euromalt since February 2019.
